

DIGVIJAY DEVANAND SUTAR

Civil Engineer (Junior Site Engineer)

Email: digvijaysutar4080@gmail.com | Mobile: +91 7558729116

Address: Bujawade, Tal. Radhanagri, Panori, Kolhapur, Maharashtra - 416231

PROFESSIONAL SUMMARY

Result-oriented Civil Engineering Professional with proven experience in construction site supervision, quality control (QC), and ready-mix concrete (RMC) plant technical operations. Adept at managing site progress, interpreting structural drawings, ensuring high concrete mix quality, and executing projects within timeline parameters.

PROFESSIONAL EXPERIENCE

Junior Site Engineer — Abhinandan Sales

Duration: December 2025 – Present

- Supervising day-to-day site operations, structural layouts, and execution work adhering to technical drawings.
- Coordinating material tracking, reinforcing steel inspection, and resource management to optimize workflow.
- Preparing daily progress reports (DPR) and tracking work schedules.

Quality Control Personnel — Infra Market (Quality Control Department)

Duration: March 2025 – November 2025

- Monitored concrete mix compliance, material testing, and overall strict quality control parameters at production units.
- Conducted routine assessment on incoming construction raw materials to ensure adherence to IS codes.
- Maintained precise records of documentation, cube test logs, and compression performance standards.

Field Technician — Kalokhe RMC

Duration: 22 June 2024 – 28 February 2025 (8 Months)

- Managed technical operations on the field, including workability tracking (slump testing) and cube casting at site delivery points.
- Interfaced between production unit and client sites to handle product specification requests smoothly.
